Harold Laski (June 30, 1893 — March 24, 1950), British scientist

The first three were pluralist 1914—1924 , Fabian 1925—1931 , and Marxian 1932—1939.

Holdings: Harold Laski, 1893

Was he a Liberal, a Fabian, or a Marxist? At the LSE in the 1930s, Laski developed a connection with scholars from the , now more commonly known as the. At Oxford, Laski began his studies in science and then switched to history, studying under some of the leading Oxford historians of his day, including Sir Ernest Barker and H.

Harold Laski (June 30, 1893 — March 24, 1950), British scientist

Laski sought tirelessly for opportunities to act on those possibilities and, as is the case throughout his work, his academic and political purposes have no clear boundary between them. But withal he somehow compels liking and a kind of esteem.

Harold Laski (1893

Laski had a tortuous writing style. He often addressed the India League and openly expressed his support for Indian independence, which was acknowledged by the opening in 1954 of the Harold Laski Institute of Political Science in Ahmadabad, Gujarat state, India. Laski's long-term impact on Britain is hard to quantify.

Harold J. Laski

But who else was there? Henderson also sent to MacDonald a supporting memorandum by Sir Victor Wellesley of the Foreign Office.
