Why M&A Investors Are Moving To The Lower Middle Market

John Bly: I think there are people trying to help owners. Specializing in the Automotive Industry. In addition to sharing current contact information and profiling each firm's strategic alliances, the directory reveals the corporate gatekeepers who can make or break your deal, and shows how to contact outside corporate directors and accounting firms to create an inside endorsement to carry your deal to the decision makers.

Why M&A Investors Are Moving To The Lower Middle Market

You and I were talking before we got on the call here about companies growing through acquisition prior to wanting to have their own exit.

David Silver's Books

It really started about 11 years ago just thinking about how growing a professional service firm was a struggle organically and so got really excited about growing it inorganically and so now in the last 11 years have done 11 acquisitions on the CPA side and have done three as of last week on

the fitness business side, so I have two different core businesses and have done 14 acquisitions in the last 11 years, and also have done a bunch of exits. The only guide book of its kind contains thousands of rules-of-thumb, pricing tips, benchmarking data and industry trends for over 550 different businesses. Box 2800 - 287, Carefree, AZ 85377.

Silver, A. David 1941

He has been involved as management, advisor, and board member with many emerging growth and middle market businesses. We get a lot of inbound leads for CPA firms looking to be acquired.
