6 Literary Devices Shakespeare Most Used For Dramatic Effect

Elizabethan actors were often classed as vagabonds yet some were also servants to royalty who performed at court. So was Shakespeare a feminist before his time Richard Dutton tackles these and other issues which keep Shakespeare, the most influential literary life in literary history, at the centre of our cultural life today. It is the frequent use of words, places, characters, or objects that mean something beyond what they are on a literal level.

William Shakespeare: Biography

His wife and their two children who lived to adulthood, Susanna and Judith, are thought to have been illiterate, though Susanna could scrawl her signature. This led to his success as both an actor on stage and a playwright, and his name was published on the title page of his plays.

Literary Lives: William Shakespeare: A Literary Life (Paperback)

In contrast to the rather flat characters of earlier drama, and especially of Christian morality plays, the tragic dramas of the university wits brought a new sophistication to the stage.
