George Dixon : Encyclopedia Arctica 15: Biographies

They haven't reconstructed the song, just rerecorded it the way it was in the demo, and there is no reason to do otherwise. The essay tells me about Penny's expansive Arctic career in the whaling industry and Stefansson-like love of Arctic colonization schemes.

Encyclopedia of the Arctic

Stefansson supported by Evelyn drew together a team of experts from around the Arctic to contribute chapters to the opus. The volume was dedicated to Sir Joseph Banks.

Digital Publishing at the Dartmouth College Library

Well, they did it now.

Digital Publishing at the Dartmouth College Library

None of the vocals are phoned in, and the band seriously seems to have attempted to translate the album over to their current generation of members. It's also a fresh way to listen to an album which most Sonata Arctica fans will have overplayed by now.
