Benefits and burdens: Immigrant women and work in New York City

From childhood onward, Black women are assaulted with negative messages about their appearance, personalities, behavior, and self-worth.

Benefits and burdens: Immigrant women and work in New York City

United Nations Department for Economic and Social Information and Policy Analysis, Population Division. Worlds Apart: Women Under Immigration and Nationality Law. Albany: State University of New York Press.

Seeking Common Ground

As the region is tested by massive outflows from Venezuela, as well as movements from Nicaragua and elsewhere, get access to the most relevant research, analysis, and data. Part I includes three chapters by a historian, a sociologist, and an anthropologist summarizing the way research on immigrant women has developed in the three disciplines.
