When I am questioning theory, who is right, modern or classical.

### Saint Charles Horseback Riding Lessons by Horse Logic

Welcome to Horse Logic's Homepage Here is your chance to come out and develop a relationship with horses and further your equestrian education. This is one of the books I always go back to, when I am in the mood to revisit the basics. It expertly provides a wealth of practical knowledge and experience and concisely lays down rules and guidelines that are as applicable today as when the book was written more than 70 years ago.

### Riding Logic

Just how do you perform a shoulder-in? The new, color photos do not do a good job of illustrating the concepts in the text. This book is on the USDF Instructor Certification Recommended Reading List. For additional information, see the Global Shipping Program This amount includes

applicable customs duties, taxes, brokerage and other fees.

**Riding Logic book by Wilhelm Müsseler**

Müsseler provides clear explanations and graphic illustrations on the training of the horse and rider from the basics of balance and feel to correcting disobedience and advanced training. A classic aimed at the dressage rider yet applicable to all who desire a true partnership with their horse. This entry was posted in by.
