

# Siliceous rocks and prehistory - bibliography on geo-archaeological approaches to chert sourcing and prehistoric exploitation

**J. and E. Hedges - Studies of indigenous lithic procurement in Uruguay and their implications for Southern Cone archaeology**

Description: -

-  
 Artists -- Portraits. [from old catalog]  
 Art -- Genoa. [from old catalog]  
 Artists, Italian -- Genoa. [from old catalog]  
 Hunting and gathering societies -- Bibliography  
 Neolithic period -- Bibliography  
 Quarries and quarrying -- Bibliography  
 Archaeological geology -- Bibliography.  
 Chert -- Bibliography  
 Siliceous rocks and prehistory - bibliography on geo-archaeological approaches to chert sourcing and prehistoric exploitation  
 -  
 BAR international series -- 1168  
 Siliceous rocks and prehistory - bibliography on geo-archaeological approaches to chert sourcing and prehistoric exploitation  
 Notes: Includes indexes.  
 This edition was published in 2003
