Inanimate Nouns and Possession

After escaping the religious cult she was raised in, Luna experienced a profound existential crisis that led to her spiritual awakening. I barely know these men but they seem to think we had a special connection and expect the same intimacy entitled only to your oldest friends. Re: the down vote, pl see next comment.

Rules for Possessives

He has antagonized all of my female friends and family members as well.

Rules for Possessives

A possessive noun or pronoun modifies the substantive to which it is attached as an adjective might do.

Examples of Plural Possessive Nouns

It's about a peculiar construction produced by a native speaker who himself is well aware that it's non-standard and an attempt by another native speaker at an explanation of why it was possible for it to be produced in the first place. Most of us have some degree of and insecurity surrounding our close relationships.
