## Brooklyn Museum

He was appointed in 1991 by the United States Senate to the Civil War Sites Advisory Commission, which determined the major battle sites, evaluated their conditions, and then recommended strategies for their preservation. In 2003, he set up MusicLab, a recording studio used by many Italian and international artists with very different musical roots.

## James McPherson

William Morris self-portrait, 1856; Morris grew his beard that year, after leaving university. Rajaratnam School of International Studies, Nanyang Technological University, Singapore.

## Fall 2021

In the most publicized preservation struggle of the 1990s, he joined C.

## Assignment Point

Woods re Indian dolls; Dunlop Organzine. An evening lecture series was open to the public, with notices of the lectures posted at the Friday Harbor Post Office. The summer session is expanded to ten weeks in length, divided into two, five-week terms.

## Brooklyn Museum

Jim invites listeners to consider different perspectives, while challenging them to question much of what they think they know about the conflict. One way to answer this question is to study how those who lived through the Stalin era -- workers, peasants, youth, women, national minorities, officials, members of the creative intelligentsia, Gulag prisoners, etc. Furthermore, if you listen to a copy of this speech, it may strike a chord with students, and they will actually be able to sympathize with the people during that time.

### **The Turn to Industry: Forging a Proletarian Party**

Attendance of nearly 200 is expected by the end of the summer, nearly doubling the previously largest enrollment of 110.

### **Pyongyang Language Study Tour — Young Pioneer Tours**

William Morris: A Life for Our Time.

### **Gilder Lehrman Institute of American History**

Fernald encourages UW faculty teaching at FHL to find experts from all over the world to join them in teaching the summer courses, thus bringing a continuous influx of international expertise to the summer curriculum. The Crawford correspondence and writings are an important reflection of the evolution of a school of American design.
