In a good or better dust jacket with two dime-sized stains on the front panel and a few smaller ones nearby. This was a fun read and I'm sure with more read oversea I will find even more fun behind it.

Fanciful, yet down to earth.

Make Way for Ducklings Literature Guide

From his father he inherited an interest in machines and inventing and continued to enjoy those interests throughout his life. Book near fine, except for slight wear at spine ends.

Read Me A Story: Burt Dow Deep

. Too many words per page for my 3-year-olds, but no good stopping places. I didn't enjoy this story as much as everyone else on goodreads did.

Burt Dow, Deep

Auburn Granny did a good job getting it to me. Yes, this is a loong picture book, especially by today's standards. This is a big fish story if I ever heard one! This book is painted in vivid springtime colors that pop.

Biography of Robert McCloskey

It was around this time that he began work on his second and perhaps best-known book, *Make Way for Ducklings*, which won the prestigious Caldecott Medal in 1942.

Burt Dow, deep

This is too long for story time and it may stretch the attention span of a young child. There are some stories that should stick around for generations and this is one. The story is cute, if somewhat random and is told in a folksy voice that seems appropriate, if somewhat stereotypical, for a deep-water man.
