As lovers of old histories! The patients u the room where ouv poor young friend Eugene ay were generally of the better classes, better I aean in purse and privileges.

Lewd and Notorious: Female Transgression in the Eighteenth Century

Despite her piety, his daughter, too, fails to connect with the inhabitants of the frontier, native or otherwise. I should be sorry to write a Satire which did not sting, nor will I ever write a Panegyrick on an Undeserver. As he approached the spot, he observed a small man, with a pipe in bis mouth, and his person arranged in an attitude of ease and graceful negligence, admirably calculated to exhibit the symmetry and perfection of his bodily proportions.

But the weddiug-day was 'Now we'll get under i -sleeve.

Full text of Leslie's illustrated

One thing that the V21 Collective has done beautifully is actively to integrate graduate student, non-tenure-track, and early career researchers in ways that allow them to feel correctly! Therefore, only early or striking quotations are given. Daniel Defoe: Master of Fictions. Baltimore: Johns Hopkins University Press, 1989.

The Cock and Anchor

The highway robber—roadagent, he is quaintly called. The fact of her exclusion, though, repeatedly complicates her motives, demonstrating on page after page that a woman writer claiming a male legacy was in an inherently vexed position. Desmond, however, is ultimately more ambiguous than either *Clarissa* or *The Coquette*; it lays bare the larger cost of its happy ending through the exiled figure of Josephine de Boisbelle.

Autobiography of Mrs Gilbert

I want my best friend with me for once. We must become independent by our determination to do without what we cannot make ourselves. Young Ashwoode attempted to seize the reins of the fellow's horse, and made a desperate pass at the rider.

The Passionate Fictions of Eliza Haywood: Essays on Her Life and Work on JSTOR

The character becomes powerless, unable to continue her game of masquerade, because she is unable to hide something as obvious as a pregnancy. O'Connor was about to fill his guest's glass for the tenth or twelfth time, when the major suddenly ejaculated, Halt! In contrast, I examine the role of her correspondent — the secondary heroine — in *Clarissa*, *Desmond*, and *The Coquette* to argue that these novels teach readers to manipulate the representation of themselves and others, or face victimization and early death. The young entrepreneur had decided he would do better economically through marriage to an heiress and would advance faster in his political career were he either married or single rather than tied to an obscure mistress.
