Out of Time: Jabrā Ibrāhīm Jabrā and the Politics of Palestinian Exile in: Journal of Arabic Literature Volume 48 Issue 2 (2017)

Traditions transmitted on the authority of 'Urwah provide the most detailed outline of the historical events surrounding the pact concluded between Muh. With regard to episodes from the life of Muh. Cook and Crone 1977, 4.

Ukus pepela

Now, merely two steps into the analysis, the historian has unwittingly entered the arena of theological debate. °e Ka'b clan made accusations against Quraysh, and on that basis the Messenger of Āod led an expedition against the Meccans.

Most accounts assert that Caliph ʾishām approached the Medinan scholar Muh. Chase Robinson 2015b delineates what he sees as the recent emergence of two camps of historians of early Islam, and his observations eĀually apply to the historical investigations into the biography of Muh. For one thing, the sĪrah-maghĀZĪ corpus is the latest of the four cardinal sources.
