Improving Schools in Scotland: An OECD Perspective

See: Actions across the life course to improve health and wellbeing contribute to delivering the Government's overall Purpose of increasing sustainable economic growth. To make that happen, we need a clear flow of information and clear actions on delivering improvement in all parts of the education system.

BBC

Events In line with the advice and guidance from the Scottish and UK Governments, we have paused our face-to-face professional learning activity and events until further notice. You might have heard about it but have no idea what it means.

National Improvement Framework and Improvement Plan: 2020

The themes will include LGBTI terminology and identities; tackling homophobia, biphobia and transphobia; prejudice in relation to the LGBTI community; and promoting awareness of the history of LGBTI equalities and movements. . To find out how this affects delivery of our programmes, read our PLL update on Covid-19 FAQs via the link on the homepage.

Learning

They offer the potential to enhance both the quality and longevity of life through focusing on the resources that promote the self-esteem and coping abilities of individuals and communities. According to The Office of Qualifications and Examinations Regulation Ofqual , the government department that regulates qualifications and exams, the new grades were introduced to as part of a reform of the qualification to better differentiate between students of different abilities. The key characteristics of co-production exemplify asset based principles Stephens et al.
