Knowing Your Learning Style Can Help College Success

Drives instruction through teacher-created tasks and related lesson plans. Finally, we have, on more than one occasion, wondered if students transfer the expectation of involvement with their parents to the college.

Knowledge Is Power But Knowledge Without Action Is Useless

Take ownership of what you learn and be proud of yourself for knowing it.

What does it take to succeed in college?

I took great pride in showing others my handwriting because I knew it was really good.

Empowering Students to Find Their Own Way

Reading Strategies for College Students Most college work involves reading! Personalized learning with Habits of Mind is a departure from the traditional interactions in which the teacher has a clearly defined curricular agenda—even in cases where that curricular agenda offers students creative options for fulfilling the requirements.
