## The Changing World Economy: What It Means for Canada

Societal shocks can break different ways, making things better or worse.

### World Economic Order: Present and Future

High inequality, low social mobility and high unemployment triggered by recession or financial crisis are common denominators.

### World Economic Order: Present and Future

And the media should help set public expectations that, in an environment with record levels of mail-in voting, tabulating results and forecasting winners may take longer than we have grown accustomed to. I want to go to the country that gave me Facebook and Google. The Global Economy More restraints on mass consumption.

### Coronavirus Will Change the World Permanently. Here's How.

In a few spots the land itself had vanished, sinking from sight along with the rail ballast to leave tracks and ties hanging mutely in space.

### An economist explains what COVID

That is more than twice the worst quarter in 2008—09.
