Dr. Edith Romney V2

A doctor is commonly more or less a friend, and nothing but supreme necessity—with some hardly that—can bring about the breaking of the tie which binds the patient to him. The widower, who is rector of the parish, a somewhat weak-minded man, is not able to resist the change of feeling ; and when his children fall ill of some prevailing disorder, calls in Dr. He thinks of her as loud-voiced, self-asserting, masculine, without any of the attributes of the womanly character.

Dr. Edith Romney; a novel. [By Anne Elliot.] Vol. II on Apple Books

The mother had died in spite of all her care, and in her she had lost not only a patient whom she earnestly desired to save no loss, we take it, is so painful to a doctor as those that follow upon childbirth , but a very dear friend. The sub-genres of the romance novel include: fantasy, historical romance, paranormal fiction, and science fiction.

Dr. Edith Romney: A Novel. In Three Volumes. Vol. II: play.fridaynightfunk.rf.gd: Elliot, Anne: Fremdsprachige Bücher

So, however, it was in this particular town.

Novel 062: Anne Elliot, Edith Romney, M.D. — New Crosswords / Old Novels

A few months suffice to transfer nearly all the practice of the town from Dr. Gallagher, the chief practitioner of Wanningster surely a hybrid sort of name , finds himself deserted for a lady-doctor.

Dr. Edith Romney V2

The general merits of the novel—apart from the very strong point of which we have spoken—are not remark- able. Does the story help to clear the outlook, an outlook on which, doubtless, many eyes are fixed, the future of woman in the professions, especially in the profession of medicine P

It will help the reader to judge, if we give an out- line of the story. Edith Romney will give us soon, but not too soon, some more of her work.
