You can build other structures, such as railways and fortresses, as well as upgrade the factories, but by and large these options are incidental to gameplay. Zombie outbreak, the end of the world has begun.

### The Fading Battlefields of World War I

Another apparent similarity is the death of the king on the Catalaunian Fields and that of Théoden on the Pelennor. How an apparently even simpler system, covering quite a gamut of battles from this war, copes with the nature of European battle in the early 18 th Century was something I found especially intriguing.
