Lenin and his biographers

While Lenin helped setup the institutions that Stalin would later exploit to create his own despotism, it is interesting to note their differences. .

Lenin: A Biography book by Robert Service

In pictures taken with them as adolescents she looks more like an elder sister than a mother; her appearance was such that the Okhrana agents underestimated her age by several years. Disputes concerned many questions about the goals and strategies of Marxism and the role of national rather than international struggles within Marxism.

Helen Rappaport's top 10 books on Lenin

In fact, that would be my one complaint. . Written by Robert Service is a colossal figure whose influence on twentieth-century history can be.

Vladimir Lenin Biography

Service would probably defend the scope of his book by noting that Lenin was always concerned with grand strategy and mobilizing the Bolshevik party leadership, not with grassroots recruitment. Of course, things did not turn out that way. Lenin: A Biography: Service, Robert: Amazon.

Lenin: A Biography book by Robert Service

More than this, they are inclined to see Lenin neither as a demon nor a saint, but as the interesting and remarkable person that he was. Lenin could usually depend on financial support from his mother for personal use, but she could not pay for his political activities. But it is clear that Lenin could not stand the smallest disagreement with him, and, if you did disagree with him, to him it was a character flaw.
