

Indian removal to the West, 1832-1840 - files of the Office of the Commissary General of Subsistence

UPA collection from LexisNexis - ProQuest International News » Blog Archive » ProQuest歷史庫

Description: Reproduces documents from among the records of the Bureau of Indian Affairs in the custody of the National Archives. The documents are divided into three major groupings: Letters received, 1831-1836; Letters sent, 1830-1836; and a miscellaneous collection of bound volumes of financial transactions, contracts, employment applications, requisitions, and receipts.

Army Records at Archives I

A copy of each order issued from these Headquarters during the Practice March is herewith returned together with a map of the country traversed by the battalion. The morning was beautiful moonlight.

Indian removal to the west 1832 1840

The attendance speaks well for the Company, and while it is one of the new companies, its officers are zealous, and will soon bring it to the forefront in point of efficiency. The suspension caused for a short period almost a stagnation in business, as the house was the financial source from which a large portion of the business world drew the elements of their vitality. I know of no other manner in which to dispose of this subject and the questions connected therewith.

THE BLOODIED MOHAWK: ADDITIONAL PARTISANS H

It was impossible to embody all, and there may be some who would have been most interested in the rejected portions. The fort here will be held to the last extremity, but I may have to take my little force to the plank road, as I out of the fort will be Jeff.
