Food Rebellions: Crisis and the Hunger for Justice : Food First

For example, with the proceeds from the sale of land in Vancouver, the Canadian Pacific built a large hotel there that became a source of income for the railway.

Linking food and feminisms: learning from decolonial movements

Industrialization, along with advancements in transportation like the railroad, drove economic growth and urbanization in the United States. These are small matters, however, in a book well worth Solberg's writing and our reading.

Industrialization, Labor, and Life

It is true that, compared to what happened earlier and to what came afterward, the economic policy of the years 1880-1930 was strongly influenced by liberal ideas. In her work Shiva cites data allegedly demonstrating that today there are over 1400 pesticides that may enter the food system across the world.

Small Farms & Big Business: Family Farms Struggle against Industrial Agriculture

Since the roads were losing money because of excessive competition in that region, owners often tried to make it up in less competitive areas such as the farming areas of the South and the Midwest by charging more for rail service.

Industrialization in Canada

In 1978, she completed and received her PhD in at the , focusing on. In the introduction and the conclusion, Solberg rejects two quite popular interpretations of the causes of the relative stagnation of the Argentinian economy. Rural families grew wealthier as exports of wheat, cheese, meat,

fish, and other staples rose in the face of rising international demand.
