Her areas of interest include comparative literature, and dystopian and science fiction novels of the 20 th and the 21 st centuries. But they soon got accustomed to the new situation, and the blessed Minke bore some two dozen children for her husband, only half of whom were still alive at the time of the cholera.

black wedding

Can there be some kind of ancient, archetypal Jewish image behind this? My research was limited to works of prose.

Hetényi Zsuzsa

More has been written about Russian-Jewish culture recently, especially since the beginning of political changes in 1985. .

Participants

The ambitious young man studies book-keeping, languages and commerce as an autodidact. But my Jewish brethren in nationality, 79 some four million people, are suffering innocently. Many a great antecedent of the journey theme can be listed in world literature.
