Von Karl dem Großen bis Maximilian I.

Medieval Muslims, Christians, and Jews in Dialogue

When the West sold back the manufactured goods, which often drove superior local goods from the market, it also exposed the Muslim customers to the ideals of the reorganised, industrialised society: individualised human rights, democracy, secularism and secular law, universal education, science, nationalism, and the subordination of religion to the greater ideology of the nation-state.

Medieval Muslims, Christians, and Jews in Dialogue

The loyalties of the Jews and Christians to one or the other of the two empires meant that choosing either Judaism or Christianity meant also choosing to ally with a superpower interested in dominating Arabia. Internationale Strategie, rechtliche Relevanz, nationale Identität. The dissolution of the Ottoman Empire at the end of World War I, resulting in the creation of a number of small nation-states, resulted in a further separation of

non-Muslims from Muslims.
