## Managing Strategic Innovation and Change: A Collection of Readings

In this book, a second edition to the popular original, editors Michael Tushman Harvard Business School and Philip Anderson INSEAD continue to collect best writings on the subject of managing innovation, some current, some that go back decades. Like the first edition, published by OUP in 1997, Managing Strategic Change and Innovation, Second Edition is designed for MBAs and practising managers and provides a framework for thinking about how technologies evolve and drive the need for organisational change and adaption. Treece: Capturing Value from Technological Innovation: Integration, Strategic Patnering, and Licensing Decisions.
