From James Madison to Thomas Jefferson, 24 October 1787

Nathan Bedford Forrest was a tall man who stood six feet two inches 1. The hind wing is splendidly studded with rounded spots of silver, on a ground partly tawny, partly olive-green and brown.

Bloomsbury

Mason refused to be parties to it.

Neighbourhood planning · Bedford Borough Council

It being so generally distributed, it will be needless to particularize its localities. The authority of a Statholder, the influence of a Standing army, the common interest in the conquered possessions, the pressure of surrounding danger, the guarantee of foreign powers, are not sufficient to secure the authority and interests of the generality, agst. The north side of Queen Square was left open that it might not impede the prospect.

Neighbourhood planning · Bedford Borough Council

Click on each name in the table to go to the relevant website. Eastward of this street is the Duke's Theatre, which occupies a plot of ground abutting on Bedford Row and the western boundary of Gray's Inn, formerly used as a yard for mail-carts and post-office omnibuses.

British Butterflies (Coleman)/CHAPTER VI

By universal suffrage, the place of highest rank among the butterflies of Britain has been accorded to this splendid insect, who merits his imperial title by reason of his robe of royal purple, the lofty throne he assumes, and the boldness and elevation of his flight.

Sharnbrook Neighbourhood Development Plan · Bedford Borough Council

We speak of the green marblings of this species—and, to the naked eye, they do appear to be of quite a bright green—but under a microscope or powerful lens that colour disappears, being resolved into a combination of bright yellow and pure black scales, which, with the dazzling snow-white ground scales that surround them, form a microscopic tableau of extraordinary beauty.

Bloomsbury Square and neighbourhood

It may well be doubted whether the present Govt. No doubt the district at present under notice cannot be regarded as fashionable; it is too near to St.
