This asserted that the territories are all Russian and all the peoples are also Russian; in the case of the Belarusians, they were variants of the Russian people. SSR Byelorussia became a founding member of the Soviet Union in 1922 and became known as BSSR. It was a de facto recognition of the Lithuanian state.

Byelorussia in World War II

The new leader rallied the Poles under a nationalist rhetoric to re-create the historic , the , which would include Lithuania, Ukraine, Belarus and push the eastern border as far as possible into Russia. Some of the groups were Soviet-aligned, while others were independent. Economically the republic remained largely self-centred, and most of the effort was put into restoring and repairing the war-damaged industry if in 1923 there was only 226 different fabrics and factories, then by 1926 the number climbed to 246, however the employed manpower jumped from 14 thousand to 21.

What does Byelorussia mean?

The Soviet Union was four months and one day later on 26 December 1991.

Byelorussia

The was passed to the Western Oblast. The resulting front, passing at 100 kilometres to the west of Minsk remained static towards the end of the conflict, despite Russian attempts to break it at in late spring 1916 and General's inconclusive thrust around the city of in summer of that year, during the further south, in Western Ukraine.

Cộng hòa Xã hội chủ nghĩa Xô viết Byelorussia

Về mặt kinh tế, nước cộng hòa chủ yếu vẫn tự cho mình là trung tâm, và phần lớn những nỗ lực là để khôi phục ngành công nghiệp bị chiến tranh tàn phá nếu vào năm 1923, chỉ có 226 công trình xây dựng và nhà máy, thì đến năm 1926, con số này đã tăng lên tới 246, nhân lực tăng vọt từ 14 nghìn lên 21,3 nghìn công nhân. The Vitebsk and Mogilev guberniyas were transferred to the Russian SFSR, and were soon joined by the , which was created on 26 April. A large collaborationist group initially presented itself, welcoming the Germans as liberators who had removed the repressive Soviet government.
