Included is correspondence, printed materials, clippings, and photographs that Holt referred to as Career Memorabilia and organized by decade. The occupation of John Evans, the head of household, was specified in the census return as a corn merchant. The majority of the materials were produced or compiled by Highlander educational and library staff after the center relocated to its current location in New Market, Tenn.

Collections

The collection also includes an interview Carter conducted with Virgil Craven, hammered dulcimer and fiddle player; two other pieces of writing by Carter; and extensive field notes created by SFC staff.
