Energy Legislation

Orbis Public Law OPL is a partnership between the legal service departments of Brighton and Hove City Council, East Sussex County Council, Surrey County Council and West Sussex County Council.

Energy Legislation

East Sussex County Council is not required to participate in Phase 2 of the scheme. They enable the service to maintain an emergency response to the public when faced with extraordinary events, such as extreme weather. All air conditioning systems over 12kW in combined rated output must have an air conditioning inspection every 5 years.

Virtual Schoolbag

These are available on the Council website as part of the constitution. It is in this context that the Standards and Learning Effectiveness Service is undertaking reviews of primary school provision across the county.

Business excellence through resource efficiency (betre): East Sussex waste minimisation programme

Official name: Surrey County Council Postal address: County Hall, Penrhyn Road Town: Kingston upon Thames NUTS code: UKJ SOUTH EAST ENGLAND Postal code: KT1 2DN Country: United Kingdom Contact person: Andrew Clarke E-mail: Telephone: +44 2085419000 Internet address es : Main address: Address of the buyer profile: The pension service is looking to undergo a full digital transformation with the main intention of exploring and implementing digital platforms to support automation, improve efficiency and stabilise the service for continued growth. It will align its resources to its risk.

Energy Efficiency

The service shares its estates, including its headquarters, with Sussex Police. As well as the four contracting authorities that make up OPL, the

framework also makes legal services available to the district and borough councils within the three counties of Surrey, East Sussex and West Sussex who can call-off from the framework throughout the duration of the agreement. Everyone benefits from this approach.

Energy Efficiency

The procurement strategy sets out the overarching strategic aims for procurement activity and acts as an umbrella strategy for three primary procurement categories - goods and services, construction and housing, health and care. And it works with Surrey and West Sussex fire and rescue services on shared recruitment and initial training courses for staff. It has strategies to drive efficiencies in areas such as fleet.
