Sean Scully born 1945

The interview with Sean Scully conducted in Mooseurach by Jörg Zutter is published here, and we are most appreciative that our Finnish colleagues have supported our wish to prepare a new publication with additional essays and a selection of short texts quoting the artist.

But despite his adolescent transgressions, Scully always carried the Catholic conviction that life always offered a better situation and he was soon using his spare time more creatively. After abandoning his original practise with the masking tape used in hard-edge painting, he continued to develop his signature stripe motif for many years. In 1983 Scully became an American citizen.
