Was Sweden's refusal to lockdown a gruesome mistake?

Kueng: Because you are acting a little erratic. Officer Thao: Just lay him on the ground. Those who took against him — journalists, the police, MPs, the Old Bailey judge — were motivated by malice.

The Italians are deluding themselves about the English

The hit job on Sir Roger can be seen as a classic of the genre: he was sacked within five hours of the Twitter storm breaking. He has never returned one of my calls before, and I doubt he will start now. Sculptor Andy Edward rather marvellously gets the bedazzling smiles and ludicrously flared dress sense of the Bee Gees just about right, and I would absolutely be the last person to quibble with the choice of song he drew on to fashion their likeness.

The Arrest Records of Monsignor Walter Rossi

So why did the FDA restrict the use of HCQ to hospitalized patients and those participating in clinical trials, and why does it continue to embargo the 150 million doses in the SNS? Stonehouse was given seven years but, two heart attacks later, was out in three.
