I'm traveling to Paris this coming Christmas with my son and fiancée. I know how it feels and hope will be able to help travelers to get the most of their journeys. And although most people in southern France were very friendly and very willing to speak English, a lot of people appreciated a basic effort to speak the language even if it meant pointing to words and looking pretty pathetic, as I certainly did on multiple occasions.

13 French Travel Phrases You Need To Know For Your Trip

French service is not the same as American service. I also enjoyed the short informative sections. The French language is all about words flowing gracefully.
