The fall of Sears: From the world's leading retailer to bankruptcy

Five minutes after I wandered around a nice gentleman asked me if I needed help.

Sears Reviews and Complaints @ Pissed Consumer Page 437

This is so frustrating and I feel like Sears is exhorting labor funds for faulty appliances and parts! When I questioned him about the brand of the replacement part, he informed us that he would be replacing the compressor with another LG compressor. You can see by looking online about the failures over and over again.
