### 30 Modern Ideas for Outdoor Home Decorating with Flowers and Plants

If your furniture pieces aren't an exact match, you can still achieve a symmetrical look by arranging furniture of the same proportions on both sides of the room. To shed some light on the most common living room that may be plaguing our spaces, we talked with interior designers and a residential architect.

### 43 Modern Dining Room Ideas (Stylish Designs)

The are visible from the dining area, which enhances the verticality of the space.

### 6 Decorating Tips From a Top Interior Designer

The small dining area has a 4-seater rectangular glass pedestal table, with 4 sets of cantilever high back chairs in white leather upholstery. The design composition of is laid on a duality of space concept: the deep rich green walls that accentuate the ceiling half of the space and separate the bedroom with its lush plant selection from the rest of the interior design with its vintage hints — it is a unique and artistic approach.

### 50 Small Studio Apartment Design Ideas (2020)

Proportion and scale are key to any design. Students are more than welcome to work with their own vases and décor elements should they wish to take them home.

### The Most Common Living Room Design Mistakes

Image credit: Divide Kitchen from Living Room There are many elegant and creative ways to separate, or more precisely to signify the symbolic border between the kitchen and living room premises without actually creating different rooms with walls and doors.

## **The Most Common Living Room Design Mistakes**

Adding to the luxurious feel of the space is the elegant table setting and the gorgeous pendant lamp hanging right above the dining table. Walls and ceiling are white, and the flooring uses an off-white polished stone flooring, save for some border tiles which uses mahogany wood finish tiles.
