Letters and Papers of John Shillingford, Mayor of Exeter 1447

This rare book was produced from a digital copy held by the Stanford University Library that can be downloaded from. See details for additional description.

Letters and Papers of John Shillingford, Mayor of Exeter 1447

As a speaker dedicated to expanding intellectual horizons and celebrating the value of skepticism, Ingersoll spoke frequently on such topics as atheism, freedom from the pressures of conformity, and the lives of philosophers who espoused such concepts. They are very interesting, and again it is to be regretted that they are so imperfect.

Letters and Papers of John Shillingford, Mayor of Exeter 1447

They bear no dates, but appear from the evidence of the different letters to have been put in at various stages of the case. Literacy was widespread among Exeter's ruling and merchant classes, and this is seen by the extensive series of medieval records that survive, probably the best for any

town outside London. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.
