## 1941 photograph of SAS shows The Originals men who survived Operation Squatter

Fun stuff, political stuff, clever stuff, like when David proved the worth of his new brainchild. He's the phantom named in the title, ghosting around enemy camps. This book is highly entertaining for those who enjoy historical novels about World War Two, and it's equally entertaining for fiction-lovers.

## The Phantom Major: The Story of David Stirling and the SAS Regiment by Virginia Cowles, Paperback

The men were the Special Air Service, the SAS, the brainchild of David Stirling, a deceptively mild-mannered man with a brilliant idea.

## THE PHANTOM MAJOR

It is interesting to think how the war might have turned out had a few men of position not listened to him and provided him the opportunity of showing how a few highly-trained men could in fact disrupt a much larger force by striking them from behind enemy lines in areas where they least expected it, and could do the most damage. By tracing the publication history of The Phantom in magazines and comic books across international markets since the mid-1930s, author Kevin Patrick delves into the largely unexplored prehistory of modern media licensing industries. A book that does not look new and has been read but is in excellent condition.

## The Phantom Major: The Story of David Stirling and the SAS Regiment by Virginia Cowles, Paperback

Her narrative, based on the eyewitness testimony of the men who took part, gives a fascinating insight into the early years of the SAS.

## The Phantom Major by Virginia Cowles

In North Africa, a convoy of 18 Allied jeeps carrying Special Air Service personnel appeared out of the early-morning darkness and drove onto the Axis landing strip at Sidi Haneish in the Egyptian desert.

## **9781848843868: The Phantom Major: The Story of David Stirling and the SAS Regiment**

He then joined the No 8 Guard's Commando before volunteering to serve in Captain Stirling's Long Range Desert Group to attack the Germans and Italians. He then drew in brave and adventure-hungry recruits from the of the recently defunct Layforce. A good companion to Ben Macintyre's Rogue Heroes.

### **The Phantom Major by Virginia Cowles**

Stirling was truly a great leader, after two deaths due to faulty materials with the parachutes: The next day the men were taken up again. In it he came fully to terms with the inadequacy of traditional democratic theory.
