## Japanese invasion of Malaya

In the afternoon, a second attack went in but failed again to close the breach. They dragged two Chinese tappers from an estate lorry and in front of their horrified fellow workers, shot them dead. The newspaper was first distributed in September 1948.

## Japanese invasion of Malaya

All couriers of the MCP are especially welcomed and from today those couriers who surrender and bring in the documents they are carrying are to be given a cash reward which will be assessed by the value of the information contained in the documents and the value of the information carried by the couriers in their head. In this connection during 1954 RAF Valettas carried out 328 missions airdropping 73,034,500 leaflets, whilst RAF Austers and ground distribution accounted for 30,726,000 a total of 103,760,500 leaflets, comprising 500 different leaflets. Later, using the same method first used at Normandy, the British started to drop dummy parachutists.

## Malay

In fact, the SOVF was formed in 1953 and consisted of about 180 ex-Communists grouped into twelve platoons of fifteen men each.

## Psychological Warfare of the Malayan Emergency

They were certainly correct in that statement. New Path News from 1955 Translated copy It wasn't only leaflets that were disseminated amongst

the Malaysians. Their work consisted of extensive patrolling, watching for contacts in the rubber plantations and mounting a perimeter guard on the New Villages, settlements which the government had established to provide infrastructure and services in outlying areas in the hope of denying the guerrillas access to their support base.
