Television's influence in politics began with Nixon

School museums were a popular venue for the first visual instructional materials and allowed for distribution of portable exhibits including slides, films and study prints to schools Saettler, 1968.

Television in politics : its uses and influences / by Jay G. Blumler and Denis McQuail

However, the transition was not a smooth one as many resistant teachers had just began to buy into the advantages of silent film. Specialization in the 1990s and 2000s Although TV viewership is growing, the vast number of cable channels and other, newer content delivery platforms means that audiences are thinly stretched. Those that are politically active today could be considered more engaged than ever.

[PDF] Television In Politics Its Uses And Influence By Jay G Blumler A

He was in severe pain when he took the stage.

The Role of the Media in Politics

He studied and prepared for the debate, and as a result was rested and tanned.

Television's influence in politics began with Nixon

Candidates in the 2018 midterm elections turned to text messages as a campaign tool that is supplanting phone-banks and door-to-door canvassing as a way of reaching voters.
