Vikings

There are also many from this time in Denmark, and southern Sweden. One Viking innovation was the "a", a spar mounted to the sail that allowed their ships to sail effectively against the wind.

Vikings in Early European Medieval History

The Vikings became permanent settlers with the express collusion of France's rulers, although many of the grants were simply a recognition of de facto Viking control of the region.

The Viking Achievement A Survey of the Society and Culture of Early Medieval...

New York: Kraus Reprint, 1966. These practices were permitted although the country was then professed as Christian in order to please those who still wanted to practice pagan religious traditions.

Viking

This is also around the time that the Vikings began exploring the east coast of North America. The Vikings: Wolves of War. During the last centuries, influences from the Central European spread to Scandinavia from northwestern Germany, and there are finds from this period from all the provinces of southern Scandinavia.
