Russian Roulette

Possible charges against Jasmine Hartin British Lawyer Edward Fitzgerald has stated that Hartin will likely be if the court proves that Russian Roulette was the cause of death. If turned into a Super Mutant, sterility is guaranteed and insanity is common, however, and incredibly enhanced physical strength can make up for this. There is also an incredibly high chance that a Super Mutant will be rather unintelligent at least on the east coast; west coast games have Super Mutants generally be more intelligent, though occasionally a mutant of normal human intelligence will be produced, and even possibly one of superior intellect.

True crime: Did a drunken game of Russian Roulette kill this Belize police chief?

Some - mostly in the Parametia subclass - give you powers that are pretty useless unless you want to use them as a performer, possibly embarrassing, and may even make the user physically deformed making him the subject of scorn and discrimination. The accidental release of a combination of experimental combat drugs aboard a science ship kills most of the crew but gives some of them superhumanly high ability scores and insanity. All that is needed is a revolver, some cartridges, and one or more players.
