Aldrich® Vapor

Update frequency: Updated daily This excellent one-stop resource lets you search citations and summaries by keyword and then instantly retrieve the full text of articles from journals online. It also helps to learn how libraries can manage electronic resources in a more streamlined workflow and collaborative effort. It also contains information on abolished standards and other auxiliary files.

Library Operating Expenditures: A Selected Annotated Bibliography

Assign appropriate headings and subdivide by --Periodicals.

Electronic Resource Management in Libraries: Research and Practice: 9781599048918: Library & Information Science Books

For a multipart CD-ROM, see RDA 2.

Virtual CD

The Standards Committee approved the revision in April 2018 and the ACRL Board of Directors approved on June 25, 2018. The information comes from the and includes only those libraries that reported annual acquisition expenditures 1,892 public libraries, 785 academic libraries, 128 special libraries, and 43 government libraries. If failed go to step 8.
