### Bee Happy! Stickers

A nice embellishment for kids' cards, posters, and notepads.

### Glitter Fantasy Butterflies Stickers

Remove the pages for a fun dino background. Which butterfly is the prettiest of all — Monarch, Buckeye, Swallowtail, Painted Lady? I have always loved to draw and make things with my hands. The stickers will add a touch of sweetness to letters, journals, cell phones, and other flat surfaces.

### Dover > Little Activity Books > Dinosaur Sticker Activity Book By Dover: Stickers Galore

An assortment of 24 cheery bugs includes bees perched on leaves and flowers, circling the hive, and in other perky poses. Plus, each is sprinkled with glitter so these butterflies really shine.

Plus, there is a variety of specialized series including AddUps, Flip Outs, Make a Masterpiece, and more.

**Dover Little Activity Books Stickers Ser.: Decorate a Christmas Tree with 40 Stickers by Cathy Beylon (1994, Stickers) for sale online**

I'm the oldest of several sisters and when we were young I used to make little activity books and pages for them to color. Temporary tattoo books feature baby animals, butterflies, dinosaurs, Celtic designs, holiday images, bugs, hearts, and more.

**Dover Little Activity Books Stickers: Glitter Santas Stickers (Paperback)**

The most beautiful species just might be these fantasy flyers, featuring wings with abstract shapes and more colors than Mother Nature has in her paint box. Very minimal wear and tear.
