A Genealogy of Literal Translation in Modern Japan

Instead, this article sets out to identify and introduce three of the core issues for the study of sacred space in Okinawa today, and it is my hope that these will be taken up by others in their studies of particular sites. .

Yanagida Kunio : sono shōgai to shisō / Kawada Minoru

Однако в отличие от основной массы консерваторов, пытавшихся обелить либо игнорировать историю до 1945 года, Сибя демонстрировал отрицательное и критическое отношение к периоду между Русско-японской войной и поражением во Второй мировой войне Ishihara, Nasu 2002; Tsurumi 2001: 66—68. Using cultural translation as a model of analysis and developing a nuanced vocabulary to describe wartime Japan within the framework of fascism, I challenge the notion that fascism was a phenomenon that existed only in Europe. During this period members of the movement ceased their activities promoting its aesthetic theories in favour of a politically committed activism conducted on a wider national scale.
