Mastering the Art of Public Speaking Free Summary by Michael J. Gelb

Here are some topic ideas for when you are called upon to give an oratorical speech. Know your audience Understand the importance of knowing who we listening to you and where we will be when you give your presentation.

The art of political oratory is overdue for a revival

Socrates believes that rhetoric alone is not a moral endeavour. As the speaker, you should be fully aware of opposing arguments to your claims. Make sure you practice the entire speech so that you can be comfortable presenting and practice any difficult part again and again to present it smoothly.

Rhetoric: The Art of Persuasive Writing and Public Speaking

Now, on the newer members, maybe give them one point on what they see they can improve and then what they did the best. In the Christian Era, however, the religious orator often found himself addressing an alien audience that he hoped to convert.

7 ORATORY SECRETS: HOW TO GIVE AN EFFECTIVE ORATORICAL SPEECH?

He says that each retains after death the qualities it had in life, so that a fat, long-haired man will have a fat, long-haired corpse. There are also other small tasks that the members do like practice impromptu speaking by talking about different topics without having anything planned.

Gorgias (dialogue)

You will be inspired to share your viewpoint and discover the most powerful ways to convince others to champion your cause.
