But why do scientists and economists, secure in their positions, asking nothing from political movements and campaigning for no war, still support them? The final resolution thus arises from a dialectical opposition between two justifications of art which Keats is trying to reconcile. And was not this the moment to take his revenge? There is plenty of middle ground between austerity and reckless living; and all the external evidence goes to show that Shakespeare was wise enough in his generation, for all that he was a child of the light. But of this work I take care to say little to Mr H.
