Introducing auto captions

What if my kid wants to get famous on TikTok? How auto captions work Auto captions automatically generate subtitles, allowing viewers to read or listen to content. Investing in accessibility Auto captions builds on a number of features we've developed to make TikTok more accessible to everyone. When the browser is open, go to ssstik.

Download TikTok Video Without Watermark

TikTok has a feature that allows two users who aren't in the same place to perform a duet.

Introducing auto captions

. Is TikTok appropriate for kids? Given the visual nature of our platform, we've designed a number of improvements, starting with features that help those with visual impairments. So what is it exactly? This feature will initially be available in American English and Japanese, with additional language support in the coming months.

Parents' Ultimate Guide to TikTok

We are to spread the word and encourage all creators to use auto captions and other features that make content more accessible. But some, such as the skull-breaker, are really dangerous. Does TikTok have parental controls? Lock the setting with a passcode.

Parents' Ultimate Guide to TikTok

Parents can also use Restricted Mode to reduce mature content or Family Safety Mode to pair their account with their kid's to control settings completely. Then it will be removed from your profile. Users can create and upload their own videos where they lip-synch, sing, dance, or just talk.

Introducing auto captions

By working with organizations like , we aim to increase awareness towards the range of diversity, talent, and conversations being had in Deaf communities. How do you do a duet on TikTok? This setting limits users to a maximum of two hours on the app per day, but you can limit it to 40 minutes. Common Sense recommends the app for age 15+ mainly due to the privacy issues and mature content.
