George Moore and Scott Moncrieff: An Unknown Chapter in the Authenticity Debate of the Letters of Abelard and Heloise

Like me, you are especially fortunate to lead our country in a time of profound and largely positive change, when old questions, not just about the role of government, but about the very nature of our nation, must be answered anew. Paging is done by library staff during business hours.

Series I: Letters from George Moore, 1916

Collection Overview The collection contains 11 letters.

Letters from John Donne about his secret marriage to Ann More

I salute you and wish you success and much happiness.

George Moore letters, page and galley proofs, and photocopy of suppressed chapter, 1890

Winter did not come in a day.

Letters from George Moore to Ed Dujardin, 1886

He proved ideal for the conveyor belt of television, word perfect and never temperamental. Good writing is always in a minor key. Administrative Information Access Restrictions Collection is open for research.
