Only of late, and after long delay, are certain uncomfortable wartime facts returning to light. Meiji Shoin, 2008 KE177-J7 Ichinyanagi, Hirotsuka and others ed. Thirdly, they are conspicuously nationalistic, displaying a conceptual and procedural hostility to any mode of analysis which might be seen to derive from external, non-Japanese sources.

Political philosophy in modern Japan

Just as were first reimported back into Japan from Paris museums and private European collections after World War 1, less tangible aspects of the cultural past were newly rediscovered by Japanese visitors in Europe. Tanpen shosetsu, hon'yaku, gendaigo yaku, dowu, Kodansha Tokyo, Japan, 1968.

New Rising Haiku: The Evolution of Modern Japanese Haiku

Today this essay seems overstated; contemporary scholars do not seek to apply New Criticism to haiku, as the form is too short for proper application, and there are additional reasons, a discussion beyond the scope of this article. Gime blades blades with false or fake signatures of gendai swordsmiths have been reported.

Nihonjinron

The outcome of the haiku spirit springs naturally from a great national love, which defines master as master and disciple as disciple.
