Lyndon Johnson

In mid-September matters became serious, for it seemed as if at last the Triple Alliance would be involved.

Harold Macmillan

His liberal views, which still associated government planning with socialist coercion, were reinforced by his concern to balance the budget.

THE NATIONAL HEALTH SERVICE (Hansard, 3 December 1975)

My Lords, medicine today is changing. Opposition speakers in the debates reminded the government of the fighting in Ireland; and it took little prescience to foretell that Home Rule would no longer satisfy the greater part of Ireland.

Lyndon Johnson

If we do not speak up now against the filthy and obscene racist propaganda. In fact the squeeze was a year earlier, in July 1961, and Lloyd was dismissed as chancellor in July 1962. He is forever poised between the cliché and the indiscretion.

Towards a critical understanding of accounting: The case of cost accounting in the U.K., 1914

In constitutional terms it meant federal intervention in assumed provincial jurisdictions.

Michael Heseltine

Most of my colleagues, I think, would say that the Dental Estimates Board generally does a difficult job very efficiently, but there certainly have been times—and the early 1960s was one example—when the DEB has used its powers in a very restrictive way, by refusing to pay for certain treatments, or paying for them inadequately. Secretary of state for war, 1905-12; lord chancellor, 1912-15, 1924.

THE NATIONAL HEALTH SERVICE (Hansard, 3 December 1975)

It should be started up again.
