What if the prosecution should become aware of the perjury of a prosecution witness following the trial? Now, both granting and revocation are subject to due process analysis, although the results tend to be disparate. In the language of the cases, the owner by devoting his business to the public use, in effect grants the public an interest in that use and subjects himself to public regulation to the extent of that interest although the property continues to belong to its private owner and to be entitled to protection accordingly. Cases under the equal protection clause now mandate a different result.
