Socialist Federal Republic of Yugoslavia

There were also places that saw no economic benefit from being in Yugoslavia; for example, the autonomous province of Kosovo was poorly developed, and per capita GDP fell from 47 percent of the Yugoslav average in the immediate post-war period to 27 percent by the 1980s. As a result of these events, in February 1989 miners in Kosovo , demanding the preservation of the now-endangered autonomy.

Breakup of Yugoslavia

The stance of the international community was that Yugoslavia had dissolved into its separate states.

Socialist Federal Republic of Yugoslavia

Political protests in Serbia and Slovenia, which later developed into ethnic-driven conflict, began in the late 1980s as protests against the alleged injustice and bureaucratization of the political elite. However, it was the official language in the federal republics of , , , and. Media in SR Slovenia published articles comparing Milošević to Italian fascist dictator.

Socialist Federal Republic of Yugoslavia

Milošević's state-run media claimed in response that , head of the , was endorsing Kosovo and Slovene separatism. On 9 January 1992, the Bosnian Serb assembly proclaimed a separate Republic of the Serb people of Bosnia and Herzegovina the soon-to-be , and proceeded to form Serbian autonomous regions SARs throughout the state. Croatian military presence increased later on.

Breakup of Yugoslavia

Previously, Red Star had reached the , while their Belgrade had been the. This only caused further resentment among the governments of Croatia and Slovenia, along with the ethnic Albanians of Kosovo and remained relatively neutral. After Jović's term as head of the collective presidency expired, he blocked his successor, Mesić, from taking the position, giving the position instead to , a member of the pro-Milošević government in Montenegro.

Breakup of Yugoslavia

The main two projects during SFRY period were electrification of the , and the building of the highly challenging. Initial strikes in Kosovo turned into widespread demonstrations calling for Kosovo to be made the seventh republic. Kosovo Albanians started to demand that Kosovo be granted the status of a constituent republic beginning in the early 1980s, particularly with the.
