## Rural West Edinburgh Local Plan Chapter 7

The Council's policies for archaeology and historic buildings are determined primarily by national legislation which relates to the list of Scheduled Ancient Monuments see and the Statutory List of Buildings of Architectural or Historic Interest compiled by the Secretary of State.

## Rural West Edinburgh Local Plan Chapter 9

Local Plan Proposal T14 — indicative location shown on Proposals Map. Red Moss is a relatively undisturbed area of raised bog while Bavelaw Marsh is an area of open water which is home to a breeding bird community of exceptional quality for this habitat type. To assist in this, the Council has adopted the 'Edinburgh Streetscape Manual' which includes a methodology and recommendations on good design practice.

## Edinburgh City Local Plan Chapter 1

West Edinburgh Development Partnership Further work to be undertaken on the details and delivery of this proposal. The strategy is to focus most new development in 'core development areas' that will contribute to these strategic requirements in different ways. Following this, a plan of action in pursuit of the objective must be developed for the area and submitted to the Scottish Executive for approval.

## Rural West Edinburgh Local Plan Chapter 1

Certain caravanning organisations can apply for touring caravan exemption certificates from the Scottish Executive which exempt them from the need to obtain planning permission and a site licence where the proposal is to locate not more than five caravans on site.

## Rural West Edinburgh Local Plan Chapter 2

Shelter belts are an important feature in the landscape. Has implications for land outwith the local plan boundary. Most of the proposals will be implemented by the private sector and other public agencies as the Council does not itself have the necessary financial resources to carry out major capital works.

## **Edinburgh City Local Plan Chapter 1**

It contains guidelines and actions which promote, among other things, sustainable resource management, environmental protection and enhancement, improved access to the Forth and heritage conservation. For this reason, the potential for brownfield housing development has been examined in this core development area.

## **Rural West Edinburgh Local Plan Chapter 7**

This will bring benefits in terms of reducing flood risk, improving water quality and enhancing biodiversity. The guidance emphasises the importance of meeting the need for affordable housing at a local level. The Structure Plan transport strategy is an integrated package of measures which complements the land use strategy.

## **Rural West Edinburgh Local Plan Chapter 1**

This is identified on the Proposals Map as ENV7 and further information is provided in the Schedule of Environment Proposals. This public provision is complemented by private sector facilities. There are seven conservation areas in Rural West Edinburgh: Balerno, Currie, Dalmeny, Hermiston, Kirkliston, Queensferry and Ratho.
